ANDERSON BEING URGED TO ENTER CONTEST FOR STATE SENATORSHIP

Claimed That Investigation Would Reveal Questionable Votes Elected Judson.

"HOP" CALM IN DEFEAT

Has Not Expressed Himself on the Matter but Appears More Graciously Inclined Than His Supporters.

It is possible that Henry W. Wilson, the Democratic Keystone candidate who proposes to contest Charles Mathews' seat for Congress in the Twenty-fourth district, may not be alone in his action. If A H. Anderson, Esq., the Republican candidate who was defeated for Senator in the Washington-Greene district by only 94 votes, listens to the urgent solicitations of his friends, he too may contest the election of his Democrtic Keystone opponent, J. Carter Judson.

While Mr. Anderson at the time gracefully acquiesced in the verdict as shown by the official count, which defeated him by the narrow margin of 94 votes, his friends are not so lenient. Since the election Mr. Anderson has been receiving letters from Greene county charging frauds and irregularities in various sections, and urging him to enter contest proceedings. Many express a belief that if a recount is made in several of the precincts the result would place Mr. Anderson ahead. While the latter is being strongly urged to contest the election, he has not yet signified his intentions one way or another.

ELECTRIC SIGN IS REMOVED AT FIFTH AND FALLOWFIELD

The electric sign at the corner of Fifth street and Fallowfield avenue, which from the beginning of the State Republican campaign until the close nightly emblazoned forth the words "For Governor, J. K. Tener," has been taken down. Election night the sign was altered so as to read, "Governor J. K. Tener." the design was perfected by R L. Barnhart and the tin work was by F. H. Ransom. It was under this sign that, by the irony of fate, Keystone exhorters were compelled to speak when campaigning in Charleroi.

The coupler permits also of the nuzzle being connected at either end of the hose and by the use of it either end of the hose may be connected to the water plug. The connection can be used on any pipe line used for water, gas or steam, and one joint can be taken out of the line without any great trouble. By its use the expense of keeping in repair these lines is made cheaper.

ZELT PAYS COSTS IN HIS CASE

Compromise Effected in County Seat Election Suit.

DEFENSE ACCEPTS VERDICT

Agreements Reached by District Attorney and Attorney for Defendant.

A verdict of not guilty but pay the costs was returned by the jury in the case aginst Louis Zelt, Sr in court at Washington yesterday. With this verdict came the end of the Zelt cases which have caused so much interest in the county, owing to the alleged connection of politics with them.

The case against Louis Zelt's sons Jacob and Adam, both charged with a violation of the election laws, while serving in the second precinct of the First ward at Washington, was called off when the verdict was announced before Judge McIlvaine yesterday morning. Following the announcement, District Attorney Acheson consulted with Owen Underwood counsel for the defendant, and stated that if the defense were willing to accept the same verdict in the case against Adam and Jacob, it would be agreeable to the State and the prosecutors, Jacob Cline and D. W. Rasel.

Judge McIlvaine then stated that he considered the verdict rendered by the jury to be an exceedingly fair one and advised the defense to accept the proposition of the State and compromise the other cases to save time and expense.

On considering the matter, the defense, deciding that a similar verdict would probably be returned if the case went to trial, declared that they would accept the proposition.

The jury then took their seats and after receiving instructions from the court, entered the same verdict to the other defendants without leaving the box.

Sharkey was pitted against duck pin rollers from all parts of the country, many of them men who had before walked away with big prizes. The list of prize winners has just been announced.

In the two-man event, in which there were three teams entered from Charleroi, under H. L. Straw Opposition

In order to embarrass and discomfit its business rival, the Gazette Times, whose proprietor is United States Senator George T. Oliver, the Pittsburg Dispatch is conducting a straw vote on the preference for United States Senator, who will be elected at the forthcoming session of the Legislature. Senator Oliver has announced as a candidate to succeed himself. There are no other avowed candidates in the field, but the Dispatch, by some strange fatuity, makes its straw vote show that almost any one else is preferred by the people to Senator Oliver, whose energetic and efficient work in the Senate at the special session of Congress, in upholding Pennsylvania's interests in the recent tariff revision, won him the appreciation of the people of the State.

Incidentally the Dispatch's straw vote shows that "Col." C. R. Rook, the editor, "is in the hands of his friends" as a candidate for Senator himself. It is a well-known fact that he has long cast his eyes in the direction of something big in the way of political preference, but as his chief qualification is his connection with the Pittsburg Dispatch, the only plum that has fallen to him is an appointment on Governor Stuart's staff which entitles him to the honorary title of "colonel." "Col." Rook cherished a fervent hope that he might be the candidate for Governor, and when this failed him, he evinced his disappointment in giving tacit support to the Keystone ticket. He worked the straw vote in Allegheny, which showed that Governor-elect Tener would not have a corporal's guard in Pittsburg.

"Col." Rook's hope that the Senatorial lightning may strike in his direction is doomed to disappointment. The candidate who will show up the strongest is the one who can command the practically solid delegation from Allegheny county. As the military editor of the Dispatch cannot command the support of a single Legislator, he must be content to console himself with his straw opposition, which in the Senatorial campaign will have no more effect than it did in the last election.

Start Something

The Charleroi Business Men's Association, which is organized for the purpose of advancing the interests of the Magic City, has not yet found anything on which to centralize its efforts. The prevailing idea is that the most desirable thing at present is to get more industries here, concerns that produce things to sell and which pays out wages to working people. In the meantime, while performing the Micawber act—waiting for something to turn up—why not concentrate the efforts of the association on the proposed river boulevard?

Next in value to a big industry employing many people is easy means of transportation to and from the town. In this respect good roads and trolley extensions would prove a great help. There are two projects which might be promoted in season and out of season, which, if they materialized, would be of inestimable benefit to Charleroi. These are a trolley extension to Bentleyville and Ellsworth, and a river boulevard. There are obstacles in the way of each project, but they are not insurmountable, and an effort to learn just what they are and what is necessary to overcome them will not require any great outlay of capital. It will require some effort, but a board of trade or a business men's association is supposed to be particularly long on this peculiar kind of an asset. All that is necessary to make progress along these lines is to start the work. The mountain never came to Mahommet.

The Connellsville Courier remarks that Fayette county should be thankful that it has no editors anxious to become United States Senators. We couldn't put it the same way in Washington county, but might construct a sentence that there are no editors nearer than Washington, Pa., who are most willing to accept the job.

There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven Catarrh to be a constitutional disease, and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. SAVED DAUGHTERS LIFE

This Father Refused to Let His Daughter Die

Here is a story with a moral that many parents might take to heart.

"My daughter was very pale, nervous, thin and suffered with severe pain in her back, so that we took her out of school. Her flesh became blue and she could not retain her urine. I spent over $100 for medicines but she grew worse. Finally I bought a bottle of Thompson's Barosma and she began to grow better right away. Five bottles of Thompson's Barosma made a complete cure and today she is a perfectly healthy girl. Thompson's Barosma saved her life, for she was failing so fast that death was not far off."—Frank D. Meedre, Pleasantville, Pa.

This letter will not surprise many good people in Charleroi and vicinity who know from actual experience what Thompson's Barosma, the safe and sane treatment and certain cure for all kidney, liver and bladder diseases will do.

If you are troubled with backache, side ache, weakness in the back or any liver or kidney trouble, then it's time for Thompson's Barosma.

W. F. Hennings sells Thompson's Barosma in two sizes, 50 cents and $1.00 and he guarantees it to cure Bright's disease, diabetes, high colored urine, bedwetting, and all other kidney and liver diseases. It will make anyone vigorous in a few weeks because it is a great tonic and maker of rich, red blood.

THE ONLY WAY

Many Charleroi Citizens Have Discovered it

Just what to do when the kidneys are affected is a question that concerns both young and old. Weak kidneys neglected in childhood lead to life long suffering. People of advanced years with less vitality, suffer doubly. In youth or age, languor backache, urinary irregularity, dizziness and nervousness make life a burden.

There is one remedy that acts direcly on the kidneys and cures these troubles. Doan's Kidney Pills owe their world-wide fame to the fact that they cure sick kidneys and cure them permanently. Follow the example of this Chalreroi citizen and you will be convinced that this is so.

Mrs. George Ewing, 913 Shady avenue, Charleroi, Pa., says: "Doan's Kidney Pills have been used in our family for some time with the best of results. We procure our supply at Piper Bros. Drug Store, and it does not take this remedy long to dispose of any attack of kidney trouble. I advise anyone troubled by disordered kidneys to give Doan's Kidney Pills a trial."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

AMONG THE THEATRES

The Palace—Charleroi.

A splendid Biograph photoplay at the Palace Theatre this week was "The Broken Doll," which most graphically demonstrated the truth of the sayingthat "all the world's akin." The story was that of a mining camp, where the wife and little daughter of a prospector joins him. The child brings a doll to which she is much attached. A party of Indians visit the camp to purchase supplies. With them is a little Indian girl, who is much impressd with the doll, the first she has ever seen. The white girl finally gives the Indian girl the doll and earns her everlasting gratitude. During the visit one of the Indians gets into a row and is shot and killed by one of the gold miners. The tribe return to camp, and swears vengeance. They indulge in a war dance before stealing upon the mining town. One of the Indians see the little girl with the doll, snatches it from her and hurls it to the ground breaking it The girl gives the doll an Indian burial, and then divining the raid, steals awayand warns the family, from which she got her doll, of their peril. There is a fight, and the girl receives a death wound, but struggles back to the burial place of her doll and dies beside the scaffold of its interment.

The Grand—Pittsburg

Eva Tanguay, the famous and erratic 'madcap comedienne' is coming to the Grand next week, beginning Monday afternoon, November 28. Miss Tanguay, since her last engagement at the Grand, two seasons ago, has spent practically all the time in New York city. She has had a phenomenal and unprecendented rise not only in salary but we are to accept the verdict of the critics an increase also in her artistic nature. She has broadened and yet lost none of that indefinable power of attracting which, however people may dispute the question of her talent is quite universally conceded. Tanguay is different. That is an asset which is worth a whole lot. In addition to the headliner, Mr. Davis has provided other attractions of quality.

These includes Gus Edwards School Boys and Girls, a musical comedy; Lew Hawkins, the Chesterel of minstrelsy, Leo Corilo, Weberatorial monologist, and the Cattrell Powell troupe of educated horses. There will be other acts of the same high grade as those mentioned and an incidental exhibitions of moving pictures which will be worth while.

New Duquesne—Pittsburg.

The exceptional notable offering by the Harry Davis stock players at the Duquesne Theatre next week will be that powerful play of Western life, "The Great Divide," in which Henry Miller and Margaret Anglin scored such an almost sensational sucess. A noteworthy feature of this production of the play by the Harry Davis stock players will be the appearance of Mary Hall as Ruth Jordan. Miss Hall succeeeded Margaret Anglin in the play of this part with Henry Miller, when Miss Anglin left for Australia, and Miss Hall supported Mr. Miller as Ruth Jordan throughout his Western tour two years ago with signal praise for her portrayal of the part. "The Great Divide" created a genuine uproar at the time of its original appearance, causing tremendous discussion of its thrilling situations and bold and daring presentation of the probleme of sex and human life. Its two heroic figures of Stephen Ghent, the rough Arizona miner, and of Ruth Jordan the daughter of Pilgrims who has come from Massachusettes to the far Western land, represent the two conflicting elements of this country—the Spirit of the West, with its ideals of freedom, and the Spirits of the East, with its Puritan ideals and conventions. The first act takes place on a cactus ranch in Southern Arizona: the second act occurs among the lofty plateau of the Rockies; and the third act shifts to the peaceful contrast of a typical New England village home.

The Alvin—Pittsburg

The wonderful production of the New York Hippodrome will be on view at the Alvin Theatre in Pittsburg for one week beginning Monday, November 28, with daily matinees for the ensuing period. They come to Pittsburg direct and intact from the great New York playhouse and to make possible the presentation on the stage of the Alvin Theatre will be increased in space and improved in mechanical and electrical facility The services of more than 600 persons will be entisted for the event, and railroad cars will be required to transport here the colossal parapenalia and appurtenanes of the stage. The specialties selected for Pittsburg are a trio which made sensational success at the New York Hippodrome. "Pioneer Daya" will open the show. They are members of "A Trip to Japan" and "The Ballet of Jewels" are the other two productions. They were last season's bill at the Hippodrome, and attained a popularity never equaleld

"The Ballet of Jewels" is a gorgeous terpsichorean picture in which 200 girls participate.

The Hippodrome has also been drawn upon for Marveline, the clown from the Old World who has convulsed millions of spectators at the New York playhouse. Seats for this big show are now on sale at the Alvin Theatre box office.

OWES HER LIFE TO

Lydia E. Pinkham's Vegetable Compound

Chicago, Ill.—"I was troubled with falling and inflammation, and the doctors said I could not get well unless I had an operation. I knew I could not stand the strain of one, so I wrote to you sometime ago about my health and you told me what to do. After taking Lydia E. Pinkham's Vegetable Compound and Blood Purifier I am to-daya well woman."—Mrs. WILLIAM AHRENS, 988 W. 21st St., Chicago, Ill.

Lydia E. Pinkham's Vegetable Compound, made from native roots and herbs, contains no narcotics or harmful drugs, and to-day holds the record for the largest number of actual cures of female diseases of any similar medicine in the country, and thousands of voluntary testimonials are on file in the Pinkham laboratory at Lynn, Mass., from women who have been cured from almost every form of female complaints, inflammation, ulceration, displacements, fibroid tumors, irregularities, periodic pains, backache, indigestion and nervous prostration. Every such suffering woman owes it to herself to give Lydia E. Pinkham's Vegetable Compound a trial.

If you would like special advice about your case write a confidential letter to Mrs. Pinkham, at Lynn, Mass. Her advice is free, and always helpful.

The Nixon—Pittsburg

Miss Elsie Janis will appear in Charles Dillingham's latest musical comedy, "The Slim Princess" at the Nixon Monday night. The new piece is by Henry M. Blossom, from George Ade's novel, with music by Leslie Stuart. It is in three acts, the first taking place at the fanciful oriental country, Bovovina; the second at the Chevy Chase Club near Washington, and the third in Washington City. This allows Mr. Blossom ample opportunity for the introduction of many interesting types and contrasting characters. Also it affords the sceric artists and the costumes every chance to exercise their genius.

Miss Janis, naturally, will appear as the "slim" princess who is obliged to come to America before she finds that her slender type of beauty is the genuine—according to the notion of the western nations. Her support is unusually good, and includes Joseph Miron, the bass voiced comedian; Sam Collins, Mortimer Weldon, Carl Hayden, Ralph Marin, Eugen Revere, Miss Julia Frary, Miss Florence Morrison, Miss Kate Wingfield, Miss Grace King, the six little English "flappers" or dancing girls, and there will be hosts of girls to exemplify the eastern and western types of beauty.

Buying Food by Mail

A recent development of the mail order business is the buying by mail of food. This system was inaugurated in this section last fall by McCann and Co., of Pittsburg, who sold 10-pound pails of Butterine at $2.00. The effort was so successful that they have decided to extend their plan this year.

As before, they will send you a 10 pound pail of finest Creamery Butterine at $2.00. As this is regular 23c Butterine, and cheap at that; you save 30c on each order.

Offer No. 2 includes the 10-pound pail of Butterine and 5 lbs of 25c Coffee, which they ship for $3.00, saving you 55c on the order.

The third offer takes 10 lbs of Butterine, 5 lbs of 25c Coffee and 1 lb of 60c Tea all for $3.50, or a saving of 85 cents.

A fourth offer includes the 10 lbs of Butterine and 3 lbs of 40c Tea at $3.00, or a saving of 50 c. Take your choice of Ceylon, English Breakfast, Assam, Olong, Japan or Young Hyson teas.

These values are guaranteed and are certain to please you. Send cash for a trial order to McCann and Co., Pittsburg, Pa. They pay express charges to Charleroi and vicinity.

ANDERSON BEING URGED TO ENTER CONTEST FOR STATE SENATORSHIP

Claimed That Investigation Would Reveal Questionable Votes Elected Judson.

"HOP" CALM IN DEFEAT

Has Not Expressed Himself on the Matter but Appears More Graciously Inclined Than His Supporters.

It is possible that Henry W. Wilson, the Democratic Keystone candidate who proposes to contest Charles Mathews' seat for Congress in the Twenty-fourth district, may not be alone in his action. If A. H. Anderson, Esq., the Republican candidate who was defeated for Senator in the Washington Greene district by only 94 votes, listens to the urgent solicitations of his friends, he too may contest the election of his Democratic Keystone opponent, J. Carter Judson.

While Mr Anderson at the time gracefully acquiesced in the verdict as shown by the official count, which defeated him by the narrow margin of 94 votes, his friends are not so lenient. Since the election Mr Anderson has been receiving letters from Greene county charging frauds and irregularities in various sections, and urging him to enter contest proceedings. Many express a belief that if a recount is made in several of the precincts the result would place Mr. Anderson ahead. While the latter is being strongly urged to contest the election, he has not yet signified his intentions one way or another.

ZELT PAYS COSTS IN HIS CASE

Compromise Effected in County Seat Election Suit.

DEFENSE ACCEPTS VERDICT

Agreements Reached by District Attorney and Attorney for Defendant.

A verdict of not guilty but pay the costs was returned by the jury in the case against Louis Zelt, Sr in court at Washington yesterday With this verdict came the end of the Zelt cases which have caused so much interest in the county, owing to the alleged connection of politics with them.

The case against Louis Zelt's sons Jacob and Adam, both charged with a violation of the election laws while serving in the second precinct of the First ward at Washington, was called off when the verdict was announced before Judge McIlvaine yesterday morning Following the announcement, District Attorney Acheson consulted with Owen Underwood counsel for the defendant, and stated that if the defense were willing to accept the same verdict in the case against Adam and Jacob, it would be agreeable to the State and the prosecutors, Jacob Cline and D. W. Rasel.

Judge McIlvaine then stated that he considered the verdict rendered by the jury to be an exceedingly fair one and advised the defense to accept the proposition of the State and compromise the other cases to save time and expense

On considering the matter, the defense, deciding that a similar verdict would probably be returned if the case went to trial, declared that they would accept the proposition.

The jury then took their seats and after receiving instructions from the court, entered the same verdict to the other defendants without leaving the box.

Straw Opposition

In order to embarrass and discomfit its business rival, the Gazette Times, whose proprietor is United States Senator George T. Oliver, the Pittsburg Dispatch is conducting a straw vote on the preference for United States Senator, who will be elected at the forthcoming session of the Legislature. Senator Oliver has announced as a candidate to succeed himself. There are no other avowed candidates in the field, but the Dispatch, by some strange fatuity, makes its straw vote show that almost any one else is preferred by the people to Senator Oliver, whose energetic and efficient work in the Senate at the special session of Congress, in upholding Pennsylvania's interests in the recent tariff revision, won him the appreciation of the people of the State.

Incidentally the Dispatch's straw vote shows that "Col." C. R. Rook, the editor, "is in the hands of his friends" as a candidate for Senator himself. It is a well-known fact that he has long cast his eyes in the direction of something big in the way of political preference, but as his chief qualification is his connection with the Pittsburg Dispatch, the only plum that has fallen to him is an appointment on Governor Stuart's staff which entitles him to the honorary title of "colonel." "Col." Rook cherished a fervent hope that he might be the candidate for Governor, and when this failed him, he evinced his disappointment in giving tacit support to the Keystone ticket. He worked the straw vote in earnest, which showed that Governor-elect Tener would not have a corporal's guard in Pittsburg.

"Col." Rook's hope that the Senatorial lightning may strike in his direction is doomed to disappointment. The candidate who will show up the strongest is the one who can command the practically solid delegation from Allegheny county. As the military editor of the Dispatch cannot command the support of a single Legislator, he must be content to console himself with his straw opposition, which in the Senatorial campaign will have no more effect than it did in the last election.

Start Something

The Charleroi Business Men's Association, which is organized for the purpose of advancing the interests of the Magic City, has not yet found anything on which to centralize its efforts. The prevailing idea is that the most desirable thing at present is to get more industries here, concerns that produce things to sell and which pays out wages to working people. In the meantime, while performing the Micawber act—waiting for something to turn up—why not concentrate the efforts of the association on the proposed river boulevard?

Next to value to a big industry employing many people is easy means of transportation to and from the town. In this respect good roads and trolley extensions would prove a great help. There are two projects which might be promoted in season and out of season, which, if they materialized, would be of inestimable benefit to Charleroi. These are a trolley extension to Bentleyville and Ellsworth, and a river boulevard. There are obstacles in the way of each project, but they are not insurmountable, and an effort to learn just what they are and what is necessary to overcome them will not require any great outlay of capital. It will require some effort, but a board of trade or a business men's association is supposed to be particularly long on this peculiar kind of an asset. All that is necessary to make progress along these lines is to start the work. The mountain never came to Mahommet.

The Connellsville Courier remarks that Fayette county should be thankful that it has no editors anxious to become United States Senators. We couldn't put it the same way in Washington county, but might construct a sentence that there are no editors nearer than Washington, Pa., who are most willing to accept the job.

There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven Catarrh to be a constitutional disease, and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only Constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. SAVED DAUGHTERS LIFE

This Father Refused to Let His Daughter Die

Here is a story with a moral that many parents might take to heart.

"My daughter was very pale, nervous, thin and suffered with severe pain in her back, so that we took her out of school. Her flesh became blue and she could not retain her urine. I spent over $100 for medicines but she grew worse. Finally I bought a bottle of Thompson's Barosma and she began to grow better right away. Five bottles of Thompson's Barosma made a complete cure and today she is a perfectly healthy girl. Thompson's Barosma saved her life, for she was failing so fast that death was not far off."—Frank D. Meedre, Pleasantville, Pa.

This letter will not surprise many good people in Charleroi and vicinity who know from actual experience what Thompson's Barosma the safe and sure treatment and certain cure for all kidney, liver and bladder diseases will do.

If you are troubled with backache, side ache, weakness in the back or any liver or kidney trouble, then it's time for Thompson's Barosma.

W. F. Hennings sells Thompson's Barosma in two sizes, 50 cents and $1.00 and he guarantees it to cure Bright's disease, diabetes, high colored urine, bedwetting, and all other kidney and liver diseases. It will make anyone vigorous in a few weeks because it is a great tonic and maker of rich, red blood.

THE ONLY WAY

Many Charleroi Citizens Have Discovered it

Just what to do when the kidneys are affected is a question that concerns both young and old. Weak kidneys neglected in childhood lead to life long suffering. People of advanced years with less vitality, suffer doubly. In youth or age, languor backache, urinary irregularity, dizziness and nervousness make life a burden.

There is one remedy that acts directly on the kidneys and cures these troubles. Doan's Kidney Pills owe their world-wide fame to the fact that they cure sick kidneys and cure them permanently. Follow the example of this Charleroi citizen and you will be convinced that this is so.

Mrs. George Ewing, 913 Shady avenue, Charleroi, Pa., says: "Doan's Kidney Pills have been used in our family for some time with the best of results. We procure our supply at Piper Bros. Drug Store, and it does not take this remedy long to dispose of any attack of kidney trouble. I advise anyone troubled by disordered kidneys to give Doan's Kidney Pills a trial."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

AMONG THE THEATRES

The Palace—Charleroi.

A splendid Biograph photoplay at the Palace Theatre this week was "The Broken Doll," which most graphically demonstrated the truth of the saying that "all the world's akin." The story was that of a mining camp, where the wife and little daughter of a prospector joins him. The child brings a doll to which she is much attached A party of Indians visit the camp to purchase supplies. With them is a little Indian girl, who is much impressd with the doll, the first she has ever seen The white girl finally gives the Indian girl the doll and earns her everlasting gratitude. During the visit one of the Indians gets into a row and is shot and killed by one of the gold miners. The tribe return to camp, and swears vengeance. They indulge in a war dance before stealing upon the mining town. One of the Indians see the little girl with the doll, snatches it from her and hurls it to the ground breaking it The girl gives the doll an Indian burial, and then divining the raid, steals away and warns the family, from which she got her doll, of their peril. There is a fight, and the girl receives a death wound, but struggles back to the burial place of her doll and dies beside the scaffold of its interment

The Grand—Pittsburg

Eva Tanguay, the famous and erratic 'madcap comedienne' is coming to the Grand next week, beginning Monday afternoon, November 28. Miss Tanguay, since her last engagement at the Grand, two seasons ago, has spent practically all the time in New York city. She has had a phenomenal and unprecendented rise not only in salary but we are to accept the verdict of the critics an increase also in her artistic nature. She has broadened and yet lost none of that indefinable power of attracting which, however people may dispute the question of her talent is quite universally conceded. Tanguay is different. That is an asset which is worth a whole lot. In addition to the headliner, Mr Davis has provided other attractions of quality.

These incluces Gus Edwards School Boys and Girls, a musical comedy; Lew Hawkins, the Chesterel of minstrelsy, Leo Corilo, Weberatorial monologist, and the Cattrell Powell troupe of educated horses. There will be other acts of the same high grade as those mentioned and an incidental exhibitions of moving pictures which will be worth while.

New Duquesne—Pittsburg.

The exceptional notable offering by the Harry Davis stock players at the Duquesne Theatre next week will be that powerful play of Western life, "The Great Divide," in which Henry Miller and Margaret Anglin scored such an almost sensational sucess. A noteworthy feature of this production of the play by the Harry Davis stock players will be the appearance of Mary Hall as Ruth Jordan. Miss Hall succeeded Margaret Anglin in the play of this part with Henry Miller, when Miss Anglin left for Australia, and Miss Hall supported Mr. Miller as Ruth Jordan throughout his Western tour two years ago with signal praise for her portrayal of the part. "The Great Divide" created a genuine uproar at the time of its original appearance, causing tremendous discussion of its thrilling situations and bold and daring presentation of the problems of sex and human life. Its two heroic figures of Stephen Ghent, the rough Arizona miner, and of Ruth Jordan the daughter of Pilgrims who has come from Massachusettes to the far Western land, represent the two conflicting elements of this country—the Spirit of the West, with its ideals of freedom, and the Spirits of the East, with its Puritan ideals and conventions. The first act takes place on a cactus ranch in Southern Arizona: the second act occurs among the lofty plateau of the Rockies; and the third act shifts to the peaceful contrast of a typical New England village home.

The Alvin—Pittsburg

The wonderful production of the New York Hippodrome will be on view at the Alvin Theatre in Pittsburg for one week beginning Monday, November 28, with daily matinees for the ensuing period. They come to Pittsburg direct and intact from the great New York playhouse and to make possible the presentation on the stage of the Alvin Theatre will be increased in space and improved in mechanical and electrical facility The services of more than 500 persons will be enlisted for the event, and railroad cars will be required to transport here the colossal parapenalia and appurtenanes of the stage. The specialties selected for Pittsburg are a trio which made sensational success at the New York Hippodrome. "Pioneer Days" will open the show. They are members of "A Trip to Japan" and "The Ballet of Jewels" are the other two productions. They were last season's bill at the Hippodrome, and attained a popularity never equaleld

"The Ballet of Jewels" is a gorgeous terpsichorean picture in which 200 girls participate.

The Hippodrome has also been drawn upon for Marveline, the clown from the Old World who has convulsed millions of spectators at the New York playhouse. Seats for this big show are now on sale at the Alvin Theatre box office.

The Nixon—Pittsburg

Miss Elsie Janis will appear in Charles Dillingham's latest musical comedy, "The Slim Princess" at the Nixon Monday night. The new piece is by Henry M. Blossom, from George Ade's novel, with music by Leslie Stuart. It is in three acts, the first taking place at the fanciful oriental country, Bovovia; the second at the Chevy Chase Club near Washington, and the third in Washington City. This allows Mr. Blossom ample opportunity for the introduction of many interesting types and contrasting characters. Also it affords the scenic artists and the costumes every chance to exercise their genius.

Miss Janis, naturally, will appear as the "slim" princess who is obliged to come to America before she finds that her slender type of beauty is the genuine—according to the notion of the western nations. Her support is unusually good, and includes Joseph Mirun, the bass voiced comedian; Sam Collins, Mortimer Weldon, Carl Hayden, Ralph Marin, Eugen Revere, Miss Julia Frary, Miss Florence Morrison, Miss Kate Wingfield, Miss Grace King, the six little English "flappers" or dancing girls, and there will be bevies of girls to exemplify the eastern and western types of beauty.
